

CELEBRATING WOMEN IN AGRICULTURE FORT HARE DAIRY

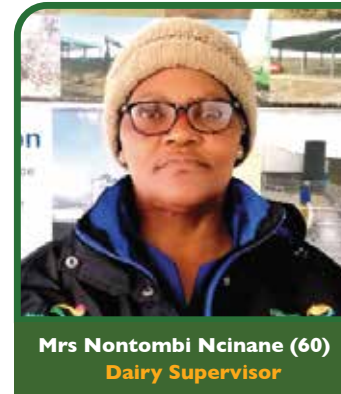

"You are worth celebrating, Siyakubhiyozela Mbokodo!"

HAPPY,
Women's
MONTH!

Ms Jeanet Rikhotso (33yrs)
Senior Farm Manager

"I joined Amadlelo in 2008 as student then became a Junior Manager for 5 years until I was promoted to Senior Farm Manager in 2013. The Dairy industry is very demanding, so family life tends to take a back seat. As women in most instances we are not taken seriously because it is a male dominated industry. Because there are limited number of females in the Industry, my dream is to take up space and grab all the opportunities that come our way."

Mrs Nontombi Ncinane (60)
Dairy Supervisor

"I started at Seven Stars Dairy in 2007 as a milker, then I moved to Fort Hare Dairy in 2016 and became a Supervisor. The challenge in the Dairy Industry is the early hours 4/5am and working hard. However, I enjoy working with calves seeing them grow; I enjoy milking cows and training the junior staff. My dream for women in Agriculture is for them to grow and be willing to learn, develop themselves, be humble and have an open-minded approach to everything."
