*"You are worth celebrating, Siyakubhiyozela Mbokodo!"*

HAPPY,  
*Women's*  
MONTH!

**Ms Zikhona Tyali (29)**  
Farm Office Administrator

"I recently joined Amadlelo Agri on the 11th May 2020. I got a job at Middledrift Dairy as a part time Admin Officer. Friendly working environment and staff. Management makes every task easy as they always offer their assistance. This enables me to learn and grow in the industry. My dream is to see women empowered in the industry and given roles to lead and becoming independent leaders."

**Ms Ndileka Ngcukana (56)**  
General Farm Worker

"Started working at the dairy on the 1st of June 2014. Employed as a cleaner, and further trained for milking. The management of the dairy is so friendly. I have a good working relationship with my colleagues, and that makes every job very easy. There are few women in Agriculture who are Senior Managers, my dream is to see more of that happening in South Africa as a whole."

**Ms Nwabisa Mama (32)**  
General Farm Worker

"I joined the dairy in September 2017 employed as Calf Rarer. What I enjoy the most is the friendly working environment. I also enjoy working with calves and watching them grow. My vision is to see women in Agriculture growing and becoming successful in the industry."
